

# NEW PROGRAM

## C-FUN Wishes, Hopes & Dreams Project 21

**“CHURCH SPONSORSHIP FOR YOUTH”**

**That picture could be me. I want out so badly. I live in America. I might live in your state or city. I might attend your church or school. I might even live in your neighborhood. You might already know me or know where I am. Come and find me. Please reach out and help me. I promise I'll reach back to help another child like me...**

### ***A Child's Heart***

**Examine Project 21 program on Facebook: @YouthJobOp (Targeting youth ages 8 and up). Booklets cost \$21.00 and come with instructions. Allow 7-10 days for delivery. Purchase booklets at: [www.MyCfun.org](http://www.MyCfun.org). Click on Donate button and state Project 21 as the "purpose". This program is part of "The Purchase Our Own Respect Project" (The P.O.O.R. Project), an initiative of C-FUN. Booklet yields \$100.00. Church gets back \$21.00 (cost) plus 10% Tithe (\$10.00).**

## **C-FUN Wishes, Hopes & Dreams Project 21**

This *Money-Making Project* is for youth ages 8 and up. Learn Life Skills, Good Character, and Giving. This project will enhance Math and Critical Thinking skills. Kids will learn how to barter for higher pay depending on the size of the job. Encourage groups of children to work around the house at home or at the homes of relatives, neighbors, church members and friends. This will help provide structure at an early age and get them involved in a positive church activity. Kids will love being their own boss and earning their own money.

### **PROGRAM REQUIREMENTS:**

- **Community Outreach Volunteers** that are presently available in your church or form a group of believers willing to come together to create a ministry to help families within the church and families in the marketplace financially.
- **Must share the principles of Tithing** to young people who're unaware of the concepts and benefits.
- **Make saving Souls a priority** by reaching out to new prospects through your young members. Then teach them how to fish for life.

### **CHURCH SPONSORSHIP**

Outreach workers will discuss the program with parent or guardian to get permission to work with the family. If permission is granted, the worker will consult proper church administration and request the church to sponsor underserved youth in and out of the church. We hope the church will be willing to purchase Project 21 booklets to help youth and their families. The worker will explain to parent and youth that the child will be expected to do chores around their home, the homes of family members, church members and friends of the family to be able to earn money. The cost of the booklet is \$21.00. The booklet will raise \$100.00. The worker will make sure the parent and child understand he/she will be expected to reimburse the church the \$21.00 investment (sponsorship) and a 10% Tithe, which is \$10.00, thereby keeping a profit of \$69.00. Those youth who are serious about earning money should be encouraged to purchase another booklet on his/her own and continue to pay Tithe to stay in the program. It's very difficult to get underserved

youth to save money. They want to spend every dime, but we must encourage them to practice saving for future needs.

**COMMUNITY OUTREACH VOLUNTEERS!!!** Here's how easy it is to provide a structured and positive activity for children who wants to earn money:

### Instructions

>Purchase our Project 21 Scratch Card from [www.MyCfun.org](http://www.MyCfun.org). Click on "donate" button and reference your \$21.00 donation with the words "Project 21" describing the purpose.

>Have a group discussion on what type of chores youth can do to earn money. I only listed a few. There are so many, especially depending on age.

**Chores:** Allow the youth to come up with their own. They will probably inspire others.

Washing dishes, cleaning up, raking leaves, dusting, vacuuming, sweeping floors or other chores they can do. There are so many jobs children can do to help at home and other family members, relatives and close friends.

>Have a group discussion about fair prices for duties and then allow employers to scratch off several dots to add up negotiated pay. The booklet comes with discount coupons. After child receives pay for work, the child will be able to give a discount coupon to the employer as an incentive to be contacted again. Have a discussion with parent(s) so they will know whose house their child is visiting for safety reasons. Stress the importance of always doing a great job and encourage youth to save some of his/her money.

Please send comments to: [fcresouces@aol.com](mailto:fcresouces@aol.com). We will continue to try to discover ways to help youth and their families.
