KingdomCAME Utility Assistance Lottery

Authentic Kingdom Project

This project gives a \$50.00 credit to one of three utilities of choice (Power, Water or Gas). It's created for supporters who willingly give a donation of \$3.00 to make themselves, someone else or the church eligible to receive a blessing. Contributions are multiplied to help more households. Pray and ask God if this project is fertile ground for you to sow into. This is a portal to bless God's people and purpose. A drawing is held monthly.

Portals to give:

<https://www.MyCfun.org> or
Cash App \$LSimmons1950

Reference your donation with the letters 'UA' which stands for Utility Assistance and please provide a contact number. We will mail recipient a check made payable to the utility company of choice.

Proceeds from this lottery will be used to support the program and to help additional households.

God wants his people to break the cycle of poverty by sacrificial giving. Giving opens a door for blessings to flow.
